

You just graduated – now what?

Kick start your career as a Claims Specialist Trainee at Zenith Insurance Company.

Zenith is looking for the next generation of talented workers' compensation claims specialists. This is not an internship but a trainee position to launch you into an exciting career in claims management!

You will join a Claims department full of other innovative, adaptive, and diverse professionals working collaboratively to help individuals injured on the job regain their health and return to work.

The training program will teach you how to investigate, analyze, and determine the extent of liability concerning claims. You will collaborate with policyholders, in-house specialists, and injured employees, as well as calculate and approve benefit payment of claims.

No experience in insurance is required. (We'll teach you everything you need to know!)

You're a good candidate if you:

- Like thinking critically and solving problems
- Are organized and detail-oriented
- Enjoy providing extraordinary customer service
- Can communicate effectively, both verbally and in writing
- Embrace new challenges and enjoy learning
- Are interested in developing legal, medical, and special investigative skills

Your success is our success, and we are here to help you grow at every stage of your career. We are committed to our employees by offering:

- Full-time employment (#winning)
- Paid hands-on training
- Competitive salary
- Generous time off benefits
- Work/Life balance
- Medical, dental, and vision options
- 401(k) program
- Professional development and ongoing education
